Dear Ms. Woods,

I was directed to you by Dr. Kenneth Davis of USDA New York Animal Import Center. We are in need of a incident report written by Dr Dale Weinmann, the USDA Veterinarian for the Morning of Saturday March 27<sup>th</sup> 2010. We imported a horse from Korea and this horse was injured during loading at release time. It was an accident and the horse had to be put down because of the serious injury.

We are willing to pay for the report.

Respectfully,
