SEP 29 2010

Dear Mr. Kelton:

This is in response to your March 20, 2010, Freedom of Information Act (FOIA) request for 77 Form 3-177 declaration packages that was sent to the U.S. Department of the Interior, Fish and Wildlife Service. On August 12, 2010, FWS referred three pages of records which originated in this office for review and release determination. Your request with the records enclosed was received in this office on August 16, 2010, and was assigned case number FOIA 10-623.

Enclosed are the above referenced records. We have reviewed the records and determined that they are releasable to you. However, all names and any other personal identifiers have been withheld pursuant to FOIA Exemption 6, 5 U.S.C. § 552(b)(6). This exemption protects information from disclosure when its release would cause a clearly unwarranted invasion of personal privacy.

You may appeal our partial denial of this information. If you choose to appeal, your appeal must be in writing and must be received within 45 days of the date of this letter. Send to:

Administrator
Animal and Plant Health Inspection Service
Ag Box 3401
Washington, D.C. 20250-3401

Please refer to FOIA 10-623 in your appeal letter and add the words "FOIA Appeal" to the front of the envelope. To assist the Administrator in reviewing your appeal, provide specific reasons why you believe modification of the determination is warranted.

Because the cost to process your request is less than \$25.00, the fee has been waived. If you have any questions, please contact Anastazia Taylor, Mr. John Fischer or Ms. Katy Vagnoni of my staff at (301) 734-8296.

Sincerely,
