To Whom It May Concern:

I am in receipt of a letter signed by one, Katy Vagnoni, FOIA Specialist, in regard to my request for information under the FOIA concerning reimbursement to the USDA to cover expenses involved in conducting deer control activities in Philadelphia's Fairmount Park including Wissahickon Park, Pennypack Park and West Park during the winters of 2007, 2008 and 2009. It is FOIA 09-871. I just realized that deer control activities were also conducted in Cobbs Creek Park during winter, 2009. I'd like to request the Cobbs Creek Park reimbursement as well.

Handwritten note: } request

The letter dated April 30, 2009 indicated that there's a considerable backlog which is understandable. I was assured that my request would be processed at some point. I have not yet received the information requested. Please contact me concerning this matter. I look forward to your response. Thank you for your co-operation.

Sincerely,

Bridget W. Irons
