Dear Ms. Rhem-Westhoff:

This is in response to your January 11, 2010, Freedom of Information Act (FOIA) request for all information including e-mails, phone calls, and photographs taken relating to the culling operations that went into effect on August 26, 2009, between APHIS and the City of Grand Haven, Michigan. Your request was received in this office on January 11, 2010, and assigned case number FOIA 10-196.

Agency employees conducted a thorough search of their files and located a one page document in response to your request. This document is being provided to you in its entirety without redaction. All additional records pertaining to this request were previously provided to you with FOIA 10-001.

Because the cost to process your request was below \$25.00, all fees have been waived. If you have any questions, please contact Ms. Janice Shipman of my staff at (301) 734-0490.

Sincerely,

Melinda Hill
