Dear Sir/Madam:

This is to inform you that, because we did not receive your Animal Welfare Act (AWA) license renewal documents and applicable fees before the stated expiration date, your license has expired and is no longer valid.

If you have allowed your license to lapse and are conducting regulated activities, please be advised that you must undergo the entire licensing process, i.e. apply, pay the appropriate fees and pass a pre-licensing inspection, before being issued another license.

Further more, if you are currently conducting regulated activities without a valid license, you will be considered in violation of the Animal Welfare Act and subject to legal action.

We appreciate your efforts in complying with the Animal Welfare Act. Contact this office at (970) 494-7478 if you have any questions regarding this letter or the Animal Welfare Act.

Sincerely,

Robert M. Gibbens, D V M
