Dear Ms. Minion:

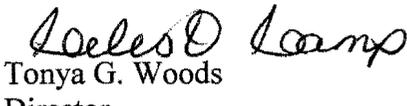

This is in response to your January 18, 2011, Freedom of Information Act (FOIA) request for the latest animal inventory inspection for Wanda Kretzman (41-B-0190). Your request was received in this office on January 18, 2011, and assigned case number FOIA 11-202.

Agency employees conducted a thorough search of their files and enclosed is a one page document that is responsive to this request. This record is appropriate for release in its entirety, without redaction.

Please note that copies of inspection reports are now available on our Animal Care web site. To access all available APHIS inspection reports, please visit the APHIS homepage at <http://www.aphis.usda.gov> and click on **FOIA Reading Room** (a bullet item located in the light blue box on the right-hand portion of the screen). Then, click on **Lists of active licensed and registered facilities**, a bullet item located under a Frequently Requested Documents heading. Then, about halfway down that next page, click **Inspection Reports and License and Registration List**. There, you will be able to access a searchable database.

Because the cost to process your request is less than \$25.00, the fee has been waived. If you have any questions, please contact Ms. Deborah L. Leilich of my staff at (301) 734-3623.

Sincerely,

*for*
