Under the freedom of information - I am requesting copied of LookOut Mountain Wildlife Animal Park - any list of inventory and I was informed they also supplied USDA with a list of animals that would not be included for inspection - i would like a copy of that list , also on an inspection dated Nov 20, 2009 by Michelle Williams, DVM that Dr Bloome was no longer part of the non profit nor the animals kept around the house for winter housing - ref to a list, I would like a copy of that list or the animals kept in those winter housing that were claimed to be not part of the non profit.
