Dear Ms. Dodson:

This is in response to your April 4, 2011, Freedom of Information Act (FOIA) request for records regarding Complaint #E11-0113. Your request was received via email on April 4, 2011, and assigned case number 11-381.

The Office of Animal Care informed our office that Complaint #E11-0113 is still under review and anticipates its completion by April 29, 2011. As a result, no records are available at this time. Please note the FOIA does not require the Government to release records as they are created. However, you are welcome to submit a new FOIA request at a later date.

Although this does not constitute a denial because no records were found or withheld, you may appeal this determination within 45 calendar days from the date of this letter. An appeal must be submitted in writing and sent to: Administrator, Animal and Plant Health Inspection Service, Ag Box 3401, Washington, D.C. 20250-3401. Please refer to FOIA 11-381 in your appeal letter and add the words "FOIA Appeal" to the front of the envelope. To assist the Administrator in reviewing your appeal, provide specific reasons why you believe modification of the determination is warranted.

Because the cost to process your request is less than \$25.00, the fee has been waived.

Sincerely,

Tonya Woods
