RE: ANNUAL REPORT
Certificate Number: 71-F-0002

September 22, 2010
Customer ID Number: 1431

Dear Registrant:

Under the Animal Welfare Act (AWA) regulations, all active or inactive research facilities, or those cancelled during the fiscal year, must file an Annual Report of Research Facility (APHIS Form 7023 and 7023A) with the Animal Care Regional Office documenting their activities and animal usage for the Federal fiscal year (October 1 through September 30) by December 1 of that year. Research facilities, whose registrations were terminated during the fiscal year, must also fulfill this requirement. Failure to do so constitutes a violation of the AWA and its regulations.

We offer two methods for submission of the Annual Report (APHIS Form 7023); regular mail or electronic submissions via the Internet. The electronic submission can be accessed at the following web site (http://www.aphis.usda.gov/animal_welfare) which provides instructions for obtaining an E-Authentication account for access to submit via the Internet. If you submit via the internet, your passcode is (b)(6)

If you elect to submit via regular mail, please complete the enclosed APHIS Form 7023 and return the original to the address listed to the left. Detailed instructions are provided on the enclosed Annual Report Checklist. All research facilities should complete Items 4 through 13 if applicable. Negative reports are required. Also required is the date, signature and title of the Chief Executive Officer or other legally responsible official who attests to the accuracy of the report and to the assurance statements. We appreciate your prompt attention to this matter.

We appreciate your efforts in complying with the Animal Welfare Act. Contact this office at (970) 494-7478 if you have any questions regarding this letter or the Animal Welfare Act.

Sincerely,

Robert M. Gibbens, D V M
