Subject FOIA Request--Three Bears Inspection Reports

Dear Ms. Woods:

On behalf of Born Free USA, a national wildlife protection and conservation organization, please accept this Freedom of Information Act request for all inspection reports and related documents for the past five that pertain to the Three Bears Bear Habitat located within the Three Bears General Store in Pigeon, Tennessee.

As you mentioned during our phone call this afternoon, the facility is fairly new, and at least two inspections have occurred thus far. I would appreciate it if you could please send me (electronically or via regular mail) as much information as is currently available to the public.

Please disclose fees prior to shipment. Thank you very much.
