The term "records" includes, but is not limited to, reports, studies, correspondence, memoranda, meeting notes and minutes, drafts and working papers, notes and summaries of conversations and interviews, e-mails, photographs, videotapes, Animal Care inspection reports, records of violations and alleged violations of the Animal Welfare Act (AWA), records of complaints and response taken, veterinary care programs, necropsy reports, inventories, records of acquisition and disposition, and any other forms of written or recorded communication. Please note that e-mails are specifically requested, as often these agency records are excluded from the agency's FOIA responses.

PETA is a non-profit public interest organization and as such PETA requests that all fees be waived pursuant to 5 U.S.C. § 552 (a)(4)(A)(iii) and USDA FOIA regulations, Pt. 1, Subpt. A, App. A, § 6. PETA has no commercial interest in the requested information, and its disclosure will contribute significantly to public understanding of the USDA's administration and enforcement of the AWA. For this reason, the USDA has routinely granted PETA a fee waiver. However, should you need additional information to process this request for a fee waiver, please let me know as soon as possible.
