Dear Ms. Banks:

This request for public information is made on behalf of People for the Ethical Treatment of Animals (PETA) pursuant to the federal Freedom of Information Act (5 U.S.C. Sec 552).

PETA hereby requests, when it becomes available, one copy of:

- APHIS's final report concerning the investigation of the University of Colorado at Denver and Health Sciences Center pursuant to PETA's Complaint filed October 16, 2007, including its amendment dated December 17, 2007.

The requested documents may be faxed to me at 757-628-0784.

As a non-profit public interest organization whose federal tax-exempt number is 521218336, PETA asks that a non-profit fee, if available, be applied to this request. PETA has no commercial interest in the records requested, but seeks them strictly in an effort to ensure the public is fully informed about operations and regulations involving the use of animals in laboratories (an issue of well-established public importance). If fees are expected to exceed \$50.00, kindly notify me by telephone to this effect before this disclosure request is processed.

If you have any questions about our request, please do not contact to contact me via telephone at 757-622-7382) or via email at JulianC@peta.org. Thank you very much for your time and effort in promptly addressing this matter, and I look forward to your response.

Sincerely,
