Dear

This is in response to your August 3, 2010, Freedom of Information Act (FOIA) request for inspection notes from a plant inspection conducted in South San Francisco USDA Plant Quarantine on or around July 2, 2009. Your request was received in this office on August 3, 2010, and assigned case number FOIA 10-597. We apologize for the delay of this response.

Agency employees conducted a thorough search of their files and located three pages of responsive records. These records are appropriate for release in their entirety, without redactions.

Inasmuch as this completes our work on your request, we are closing your file in this office. If you have any questions, please contact Ms. Tamara M. Wade of my staff at (301) 734-5268.

Sincerely,

for Tonya G. Woods
