This is in response to your September 17, 2010, Freedom of Information Act (FOIA) request for a report showing the federal phytosanitary certificates issued to United Products, Inc. in the Texas panhandle area showing the applicant, issue date, consignee, destination country and commodity for the commodities of sorghum and Sorghum bicolor x sorghum Sudanese. Your request was received in this office on September 17, 2010, and assigned case number FOIA 10-694. We apologize for the delay of this response.

Agency employees conducted a thorough search of their database, but did not locate any responsive records. Again, Plant Protection and Quarantine stated, there are no responsive records, for the above subject matter.

You may appeal our no records determination. If you choose to appeal, your appeal must be in writing and must be received within 45 days of the date of this letter to:

Administrator  
Animal and Plant Health Inspection Service  
Ag Box 3401  
Washington, DC 20250-3401

Please refer to FOIA 10-694 in your appeal letter and add the words "FOIA Appeal" to the front of the envelope. To assist the Administrator in reviewing your appeal, provide specific reasons why you believe modification of the determination is warranted.

Because the cost to process your request was less than \$25.00, the fee has been waived. If you have any questions, please contact

Sincerely,

Tonya Woods  
Director
