Subject Request for Northern California Scrapie Tag information

To Whom it May Concern,

CA Center for Cooperative Development is a 501c3 non-profit working on a feasibility study of a potential meat goat marketing cooperative serving Northern California producers. In order to get a sense of the total number of meat goat producers and number of meat goats in Northern California, we hope that information in the Scrapie Tag Program will be able to tell us:

1. Number of CA producers with Meat Goats
2. Number of goats those producers have.

This request is for a database of California meat goat producers who have meat goat breeds either Boer or Kiko breeds and to the exclusion of dairy breeds. The specific information we are looking for on each producer is:

1. Name
2. County
3. Number of scrapie tags received in 2009 for meat goat breeds (Boer or Kiko)

The counties we are concerned with are:

- Alpine
- Amador
- Butte
- Calaveras
- Colusa
- Contra Costa
- Del Norte
- El Dorado
- Glenn
- Humboldt
- Lake
- Lassen
- Mendocino
- Modoc
- Nevada
- Placer
- Plumas
- Sacramento
- Shasta
- Siskiyou
- Sonoma
- Sutter
- Tehama
