Freedom of
Information

Dear Mr. Smalley:

100 River Road
Belt
Frederick, MD
21737-1232

This is our second partial response to your October 6, 2010, Freedom of Information Act (FOIA) request for data regarding adverse events reported with two monovalent canine rabies vaccines, Defensor 1 and 3, and Continuum Rabies. Your request was received in this office on October 6, 2010, and assigned case number FOIA 11-013. Please forgive the delay of this response.

With the letter, we are providing a CD-ROM containing an additional 198 pages of the responsive records. However, information is withheld pursuant to FOIA Exemption 6, 5 U.S.C. § 552(b)(6). This exemption protects information from disclosure the release of which would cause a clearly unwarranted invasion of personal privacy. Specifically, we have removed the identity of third party individuals.

You may appeal our denial of this information or you may hold your appeal in abeyance until your final response is received. However, if you choose to appeal your appeal must be in writing and must be received within 45 days of the date of this letter to the following address:

Administrator
Animal and Plant Health Inspection Service
Ag Box 3401
Washington, D.C. 20250-3401

If you choose to appeal, please refer to FOIA 11-013 in your appeal letter and add the words "FOIA Appeal" to the front of the envelope. To assist the Administrator in reviewing your appeal, provide specific reasons why you believe modification of the determination is warranted.

Safeguarding American Agriculture
APHIS is an agency of USDA's Marketing and Regulatory Programs
An Equal Opportunity Provider and Employer

Greg Smalley
FOIA 11-013

2

Also contained on the CD-ROM are copies of your request, this response letter, and Adobe® Acrobat® Reader™, which is needed to view the responsive records. By opening rp505enu.exe and following the on-screen instructions, you will install Adobe Reader. After the installation, the Adobe Reader should render the PDF files correctly.

Please note that the remainder of your request is still under review. We will continue to make partial releases of the information you requested.

In the interim, if you have any questions, please contact Ms. Deborah Leilich of my staff at (301) 734-3623.

Sincerely,

for Tonya G. Woods

Director
