Dear Mr. Baciuska:

This is a partial response to your July 28, 2010, Freedom of Information Act (FOIA) request for cooperative service agreements for all projects involving wildlife hazard assessments and any project that was conducted on an airport or for an airport within the state of Pennsylvania for the last three years. Your request was received in this office on July 29, 2010, and assigned case number FOIA 10-587. We apologize for the delay of this response.

Agency employees conducted a thorough search of their files and located 149 pages of responsive records on the enclosed CD-ROM. However, information is being withheld under FOIA Exemption 6, 5 U.S.C. § 552(b)(6). FOIA Exemption 6 protects information from disclosure when its release would cause a clearly unwarranted invasion of personal privacy. Specifically, we withheld third party names and telephone numbers.

You may appeal our partial denial of this information or you may hold your appeal in abeyance until your final response is received. However, if you choose to appeal your appeal must be in writing and must be received within 45 days of the date of this letter. Send to:

Administrator
Animal and Plant Health Inspection Service
Ag Box 3401
Washington, D.C. 20250-3401

Please refer to FOIA 10-587 in your appeal letter and add the words "FOIA Appeal" to the front of the envelope. To assist the Administrator in reviewing your appeal, provide specific reasons why you believe modification of the determination is warranted.

Also contained on the CD-ROM are copies of your FOIA request, this response letter, and Adobe® Acrobat® Reader™, which is needed to view the responsive records. By opening rp505enu.exe and following the on-screen instructions, you will install Adobe Reader. After the installation, the Adobe Reader should render the PDF files correctly.
