**RE: Freedom of Information Act Request (FOIA)**

Dear FOIA Officer:

This is a request under the Freedom of Information Act. I request that a copy of the following documents be provided to me:

Any wildlife assessments and correspondence, decisions, or references about wildlife use and airport management on or around the Mustang Airport in south Sacramento County, California.

Dennis Orthmeyer of the Animal and Plant Health Inspection Service, Wildlife Services, Sacramento, CA office, may be familiar with these documents.

In order to help to determine my status to assess fees, you should know that I am an employee of The Nature Conservancy, a non-profit, charitable organization. Please advise what fees, if any, apply to this request.

Finally, PLEASE EXPEDITE THIS REQUEST. Thank you for your consideration.

Sincerely,

Michael Conner
