Subject FOIL Request from Park Slope Patch

Dear Sir or Madam:

Please consider this letter a formal Freedom of Information Law request from Park Slope Patch for all documents pertaining to the possible 2011 extermination of geese in Prospect Park, Brooklyn. I would particularly like to request any information suggesting that geese will not be exterminated in 2011.

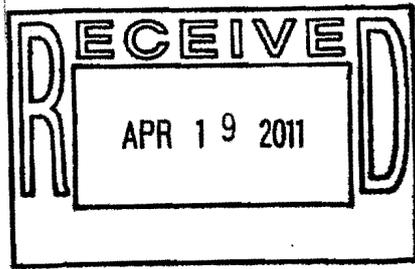

Additionally, Park Slope Patch requests any documentation relating to the renewal of the contract between the City of New York and the United States Department of Agriculture for the extermination of city geese.

If you have any questions, feel free to e-mail or call.

Regards,
