Dear Mr. Knudson:

This is in response to your June 23, 2011, Freedom of Information Act (FOIA) request for information about two Cooper's hawks killed with pole and raptor traps in California. Your request was received in this office on June 30, 2011, and assigned case number FOIA number 11-615.

Agency employees conducted a thorough search of their files and located four documents that are responsive to your request. These documents are appropriate for release in their entirety, without redactions.

We have provided all of the responsive documents located. However, you are entitled to file an appeal. If you choose to appeal, your appeal must be in writing and must be received at the following address within 45 days of the date of this letter:

Administrator  
Animal and Plant Health Inspection Service  
Ag Box 3401  
Washington, DC 20250-3401

Please refer to FOIA 11-615 in your appeal letter and add the words "FOIA Appeal" to the front of the envelope. To assist the Administrator in reviewing your appeal, provide specific reasons why you believe modification of the determination is warranted.

Because the cost to process your request is less than \$25.00, all fees have been waived. If you have any questions, please contact Ms. Tamara M. Wade of my staff at (301) 734-5268.

Sincerely,
