RE: Freedom of Information Act Request

Dear Ms. Woods:

This is a request under the Freedom of Information Act. I request a copy of the following documents, or documents containing the following information, to be provided to me:

1) Copy of all permits, experimental use permits or letters of investigational exemptions for the use of:

**GonaCon
SpayVac
and field spaying**

used or done in connection with estrav, feral and wild horses , by the USDA and between the USDA and **Bureau of Land Management, Forest Service, FDA, Dept. of the Interior, State governments and at any correctional institutions (prisons), for the time period of January, 2000 to present.**

In order to help to determine my status to assess fees, you should know that I am an individual seeking information for personal, not commercial use.

I am willing to pay fees for this request up to a maximum of \$30. If you estimate that fees will exceed this limit, please inform me prior to processing this request.

I may be called at the telephone number listed below during the hours of 9 a.m. and 6.p.m. to discuss my request, if necessary.

I will expect a response within 20 working days as provided by law. If my request is denied in whole or in part, I expect a detailed justification for withholding records. I also request any segregable portions that are

not exempt to be disclosed

Thank you.

Sincerely,

Debbie Coffey
