Dear Ms. Green,

I had contacted your office a few months back regarding possible animal trafficking in a Houston exotic pet store. I received a letter in July stating that too little time had passed for an investigation to be conducted after having issued a complaint to the USDA. I was hoping that since it is now three months since having been contacted by the USDA that sufficient time has passed. I would truly like to be informed on the status of the pet store and the subsequent investigation into case W09-141. Thank you for your time in this matter and I am looking forward to hearing from you.

Thank you,
Inca Marcel LVN
