Dear Ms. Woodyer:

Freedom of
Information

4700 River Road
Unit 50
Riverdale, MD
20737-1232

This is in response to your January 5, 2010, Freedom of Information Act (FOIA) request for copies of all documents regarding U.S. veterinarian, Dr. James Oosterhuis where he is treating captive elephants from January 1, 1985 to date of search. Your request was received in this office on January 5, 2010, and assigned case number FOIA 10-179. We apologize for the delay of this response.

Based on the information provided in your request, Agency employees conducted a thorough search of their files and did not locate any responsive records because Dr. Oosterhuis is not licensed or registered with our Agency.

You may appeal our findings of no responsive records. If you choose to appeal, your appeal must be in writing and must be received within 45 days of the date of this letter. Send to:

Administrator
Animal and Plant Health Inspection Service
Ag Box 3401
Washington, D.C. 20250-3401

Please refer to FOIA 10-179 in your appeal letter and add the words "FOIA Appeal" to the front of the envelope. To assist the Administrator in reviewing your appeal, please provide specific reasons why you believe modification of this initial determination is warranted.

Because the cost to process your request is less than \$25.00, the fee has been waived. If you have any questions, please contact Ms. Jacqueline Harris or Ms. Katy Vagnoni of my staff at (301) 734-8296.

Sincerely,

for:
