To Whom It May Concern:

I purchased a Yorkshire terrier at a pet store that was sick with Kennel cough/pneumonia, Giardia, and Coccidia. The breeder is Jackie and Ronald Wiese 53985 822 Road Lindsay, NE 68644. Customer I.D. # 13873. Certificate # 47-A-0412. I would like information on complaints, inspection reports, and citations against these breeders. I agree to the fees to obtain such information as long as they are not to excessive please as most of my money has gone into medical bills for my sick dog. Thank you for your time, consideration, and efforts on my behalf.

Sincerely,
Carolyn Tapp
