Ms. Woods,

I have already accessed reports from the last three years via the APHIS homepage. I am in need of inspection reports that date back further than 2008. When searching the online database, I was able to get hits by using the "Great Bend Zoo" rather than its official name the "Brit Spaugh Zoo".

We received your FOIA on July 23, 2010. You requested inspection reports for the Brit Spaugh Zoo.

Usually - copies of inspection reports can now be found on our Animal Care (AC) web site. To access all available APHIS inspection reports, please visit the APHIS homepage at <http://www.aphis.usda.gov> and click on FOIA Reading Room (a bullet item located in the light blue box on the right-hand portion of the screen). Then, click on Lists of active licensed and registered facilities, a bullet item located under a Frequently Requested Documents heading. Then, about halfway down that next page, click Inspection Reports and License and Registration

List. There, you will be able to access a searchable database.

However, we were unable to locate "Brit Spaugh Zoo" in the AC database or a physical file. We want to confirm the spelling as well as any other information that you may have on this zoo before we log in your request. If you feel that this facility may be operating without a license, you may submit a complaint through acwest@aphis.usda.gov.

Please call me if you have any questions regarding this email.
