Dear Ms. Tonya Woods,

On behalf of the National Association for Biomedical Research (NABR) and pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, et seq. as amended, I respectfully request a list of all FOIA requests the USDA APHIS received from January 1, 2009 to present. Please include:

1. **The Request Id number**
2. **The Date the Request was made**
3. **The Date the Request was completed**
4. **The First and Last name of the Requestor**
5. **If the Requestor is making the request on behalf of an organization, please include the organization's name and address.**
6. **A short description of the records requested**

If possible please provide the information in electronic format, preferably an Excel spreadsheet.

I agree in advance to the redaction of any personal information that that agency could withhold under Exemption 6 of the FOIA 5 U.S.C. § 552(6).

To expedite the request, I would like to receive the information on a rolling basis. I have also attached a page from a similar request to the National Institutes of Health as an example of the information I am seeking to obtain.

I request a waiver of fees because my interest in the records is not commercial and I am requesting these records on behalf of a nonprofit organization. The disclosure of the information requested will contribute significantly to public understanding of the agencies response to document requests.

If the request will involve expenses in excess of \$50 and the fee waiver request is denied, please

notify me by telephone at (202) 857-(b)(6), or by email at (b)(6)@nabr.org, so that NABR may decide whether to pay the fees, narrow its request, or appeal the denial of the fee waiver request.

If you have any questions or need any additional information about this request, please contact me by telephone or email. Thank you for your prompt attention to this matter. I look forward to receiving your response.

Sincerely,

Andrew Cardon
