This is in response to your October 29, 2009, Freedom of Information Act (FOIA) request for a copy of the Environmental Monitoring Reports: 2006 Asian Longhorned Beetle Cooperative Eradication Program for the active region in Suffolk County, New York; 2003 Asian Longhorned Beetle Cooperative Eradication Program in New York and Illinois; and the 2004 Effects of Clothianidin on *Bombus impatiens* (Hymenoptera: Apidae) Colony Health and Foraging Ability. Your request was received in this office on October 29, 2009, and assigned case number FOIA 10-059. We apologize for the delay of this response.

Agency employees conducted a thorough search of their files and located 92 pages of responsive records, which are on the enclosed on a CD-Rom. These records are being provided to you in their entirety without redaction.

Also contained on the CD-Rom are copies of your FOIA request, this response letter, and Adobe® Acrobat® Reader™, which is needed to view the responsive records. By opening rp505enu.exe and following the on-screen instructions, you will install Adobe Reader. After the installation, the Adobe Reader should render the PDF files correctly.

Because the cost to process your request is less than \$25.00, the fee has been waived. If you have any questions, please contact Ms. Janice Shipman of my staff at (301) 734-0490.

Sincerely,

for Tonya G. Woods
