Dear Mr. Silver:

Freedom of
Information

4700 River Road
Unit 50
Riverdale, MD
20737-1232

This is in response to your August 31, 2009 Freedom of Information Act (FOIA) request. You requested the "work plan" that addresses the release of tamarisk leaf eating beetles in the City of St. George, UT that was not included in the FOIAs dated, October 28, 2008 and May 14, 2009. Your request was received in this office on November 5, 2009, and assigned case number FOIA 10-073.

Agency employees conducted a thorough search of their files and did not locate any information responsive to your request.

You make appeal our no record determination. If you chose to appeal, your appeal must be in writing and must be received within 45 days of the date of this letter to the following address:

Administrator
Animal and Plant Health Inspection Service
Ag Box 3401
Washington, DC 20250-3401

Please refer to FOIA 10-073 in your appeal letter and add the words "FOIA Appeal" to the front of the envelope. To assist the Administrator in reviewing your appeal, provide specific reasons why you believe modification of the determination warranted.

If you have any questions, please do not hesitate to contact Kacie Edwards of my staff at (301) 734-5385.

Sincerely,
