Description of Information you are Requesting:

I wish to obtain a copy of the agreement between the United States and China which permits Alaskan logs to be shipped directly to China's Port of Putian. It appears that on December 16, 2005, APHIS signed a phytosanitary requirements protocol with China's General Administration of Quality Supervision, Inspection and Quarantine (AQSIQ) regarding phytosanitary requirements for Alaskan log exports to China.

The protocol was to last two years. I would also like any subsequent protocols that were signed. It appears that the 2005 Protocol was modified in 2007, and would likely have again been modified or extended in 2009.

Please notify me if the applicable fee exceeds \$250.00. Under that amount, I authorize the research and copying to be done and I will process payment as soon as possible.

It would be preferable if the Protocols could be provided in electronic format.

You MUST agree to pay applicable fees in order to process your FOIA request. Fees are charged in the amount of \$25.00 or more. A letter will be sent to you stating the exact amount of your fee.

Yes I agree to pay all applicable fees for this request.
