Subject FOIA for City of Grand Haven, MI & APHIS - Deer Cull

To whom it may concern:

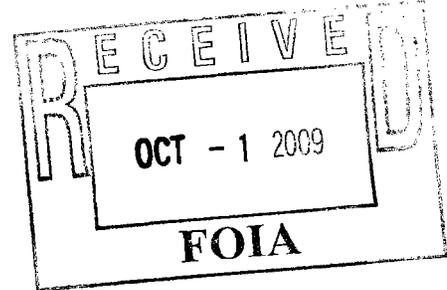

In accordance with The Freedom of Information Act, I am requesting the following:

A copy of all correspondence and supporting documentation between the City of Grand Haven, MI and APHIS, in regards to the culling of deer. We currently have a copy of the permit issued to the City of Grand Haven from the MDNR which indicates the city has hired APHIS to again kill deer for the sum of \$4000.00. Therefore I do not need to see a copy of the permit issued to the city by the MDNR.

I am referring in this FOIA request to correspondence/documentation for both the upcoming cull and the hiring and use of APHIS to cull deer by the City of Grand Haven, MI last January 2009

Thank you,
