Dear Ms. Keefover-Ring:

The National Transportation Safety Board referred 15 pages that originated at the USDA but were found in their files. The pages are in response to your September 10, 2009, Freedom of Information Act (FOIA) request for records regarding aerial gunning accidents by Federal and state governments and individuals. Your request was received in our office on January 28, 2010, and assigned case number 10-218.

We have reviewed the documents and determine they can be released in their entirety. Copies of the documents are enclosed. Because the cost to process your request is less than \$25.00, the fee has been waived.

Should you have questions, please contact the FOIA staff at (301) 734-8296.

Sincerely,

Katy Wagner
