Dear Chip Lovell,

JUL 07 2010

I am filing a formal request under provisions of Wisconsin's Open Records Law for documents that are in your custody.

The Gazette specifically requests a list of the locations in which the wildlife service conducted nuisance goose captures in 2009. For each location, please include:

- The name of the municipality or private property owner that paid for the service.
- The amount paid.
- The date of service.
- The number of geese processed.

Wisconsin Statute 19.35 (4) requires that you either comply with my request or notify me in writing of the reasons for your refusal "as soon as practicable and without delay."

Please mail, e-mail or fax the report to me. If you have any questions or need any clarification of my request, please contact me at (608) 755-██████ Thank you in advance for your help.

Sincerely,

Ann Marie Ames
