Subject: Request for documents

Hi Tonya,

Thanks for the phone conversation and for all your help. Below is the information that I had submitted last April.

In accordance with the Freedom of Information Act, I would like to request copies of the following as they pertain to Animal Welfare Act Licensees.

Location: Only the State of Minnesota

Persons: All Class A (Breeders), Class B (Dealers), Class C (Exhibitors) and Carriers currently licensed or licensed at any time within the period noted above in Minnesota.

Documents: All APHIS Form 7003-A (application for license-new) and all APHIS Form 7003 (application for license renewal) under the federal Animal Welfare Act. I am also requesting a form called the Animal Count at Last Visit for all MN breeders and dealers (unless that information/form is one of the forms indicated.)

Time period: I'd like copies going back at least three years (or as many years as is still kept on file. Does it go back 10 years?)

Media form: I prefer electronic media, in the form of a CD, with documents in the PDF format. If not available, paper copies are acceptable.

Fees: I agree to all fees not to exceed \$200. If the request exceeds \$200, please notify me as to the cost so I can evaluate my options.

Thanks for your assistance!  
Ann Olson

Thank you Ann Olson for your request. Your FOIA request has been submitted electronically to the Animal and Plant Health Inspection Service's Freedom of Information Act online request processing system. Please be aware that applicable fees may be applied and charged for processing your FOIA request. Please do not submit another request for the same requested information, this may generate a duplicate request and may delay the processing of your request. If you have any questions, feel free to contact the APHIS FOIA office.
