Dear Ms. Woods:

This is a request for public records made on behalf of People for the Ethical Treatment of Animals (PETA) pursuant to the federal Freedom of Information Act (FOIA), 5 U.S.C. § 552, as amended.

PETA requests a copy of the court order that revoked the USDA license of **Breck Wakefield and Derek Werner DBA Branson West Reptile Gardens, 43-C-0198**, on March 31, 2010, as listed on the USDA APHIS Inspection Reports and License and Registration List on the APHIS website. If records which are responsive to this request are located in other USDA offices, please forward this request to all appropriate offices.

PETA is a non-profit public interest organization and as such PETA requests that all fees be waived pursuant to 5 U.S.C. § 552 (a)(4)(A)(iii). PETA has no commercial interest in the requested information, and its disclosure will contribute significantly to the public's understanding of the USDA's administration of the AWA. For this reason, the USDA has routinely granted PETA a fee waiver. However, should you need additional information to process this request for a fee waiver, please let me know as soon as possible.

If you have any questions about this request, please contact me at 757-962-8323 or TeresaM@peta.org.

Very truly yours,

Teresa Marshall, Administrative Assistant
