Ms. Gregory,

We will log in your Freedom of Information Act request. In the future, you may submit your requests for APHIS records directly to our FOIA Officer mailbox at FOIA.Office@aphis.usda.gov.

Have a good day.

Tonya G. Woods, Director
U.S. Department of Agriculture
Animal & Plant Health Inspection Service
Legislative and Public Affairs - FOIA & Privacy Acts Office

FEB 8 2011

Dear Ms. Gregory,

The Foreign Agricultural Service (FAS) does not manage the activities described in your email, below.

I believe the correct agency of the Department of Agriculture (USDA) for your enquiry would be the Animal and Plant Health Inspection Service (APHIS). I have added APHIS as a cc addressee on this reply to your original email and am including my most recent contact information for their Freedom of Information Act (FOIA) office as follows:

Tonya G. Woods, Director
U.S. Department of Agriculture
Animal & Plant Health Inspection Service
Legislative and Public Affairs
- FOIA & Privacy Acts Office
Telephone: (301) 734-8296
Fax: (301) 734-5941

I hope that I am directing you to the correct office and that this response will be helpful to you.

Sincerely,
Henry Noland
FAS Freedom of Information Officer
(202) 720-0154

Subject: FOIA Request

It is stated in your online inspections reports that Jeff Fortin's (Customer ID 4248, Certificate 48-B-0225) USDA certificate was cancelled, with an effective date of today, Jan 7, 2011.

Will you please clarify for me what this means? Has his USDA licensed been revoked permanently by the USDA for any and all sites he may have open, and under any of his aliases?

Thank you for your help.

Nancy Gregory
