Dear Licensee:

This is to remind you that your U.S. Department of Agriculture (USDA) Animal Welfare Act (AWA) license is due for renewal on or before the above expiration date. This is the only renewal notice you will receive.

Please complete the enclosed application form, making any necessary corrections to the pre-printed information, and return it to the above address, along with the appropriate license renewal fee. The annual fee is calculated by using the enclosed fee schedule. You may pay by cashier's check, certified check, personal check or money order made payable to the United States Department of Agriculture. You can also pay with a Visa or MasterCard, using the enclosed credit card authorization form. However, we cannot accept cash payments.

Please note that you must have an approved, complete, and up-to-date program of veterinary care on file at your place of business. You can obtain blank forms -- or any others you may need -- directly from this office or your USDA inspector. The AWA also requires that you report to us any changes in your name, address, location, management, control or ownership of your business via certified mail within 10 days after the change has occurred.

It is very important that you file your AWA license renewal application before the expiration date elapses -- any renewal notices received after that date will be considered invalid and returned. Accordingly, to continue to conduct AWA regulated business, it would be necessary for you to reapply and undergo the entire pre-licensing process. If your license expires and you continue to operate as a dealer or exhibitor, you will be in violation of the AWA and subject to legal action.

We appreciate your efforts in complying with the Animal Welfare Act. Contact this office at 970-494-7478 if you have any questions regarding this letter or the Animal Welfare Act.

Sincerely,

Robert M. Gibbens
Regional Director - Animal Care

Dear Licensee:

This is to remind you that your U.S. Department of Agriculture (USDA) Animal Welfare Act (AWA) license is due for renewal on or before the above renewal date. This is the only renewal notice you will receive.

Please complete the enclosed application form, making any necessary corrections to the pre-printed information, and return it to the above address, along with the appropriate license renewal fee. The annual fee is calculated by using the enclosed fee schedule. You may pay by cashier's check, certified check, personal check or money order made payable to the United States Department of Agriculture. You can also pay with a Visa or MasterCard, using the enclosed credit card authorization form. However, we cannot accept cash payments.

Please note that you must have an approved, complete, and up-to-date program of veterinary care form on file at your place of business. You can obtain blank forms -- or any others you may need -- directly from this office or your USDA inspector. The AWA also requires that you report to us any changes in your name, address, location, management, control or ownership of your business via certified mail within 10 days after the change has occurred.

It is very important that you file your AWA license renewal application before the expiration date. Any renewal notices received after that date will be considered invalid and returned. Accordingly, to continue to conduct AWA regulated business, it would be necessary for you to reapply and undergo the entire pre-licensing process. If your license expires and you continue to operate as a dealer or exhibitor, you will be in violation of the AWA and subject to legal action.

We appreciate your efforts in complying with the Animal Welfare Act. Contact this office at (970) 494-7478 if you have any questions regarding this letter or the Animal Welfare Act.

Sincerely,

Robert M. Gibbens, D V M

Subject Fw: Action: FOIA 11-242

Hey Charlie,

Attached is a FOIA request from Riverdale with regard to Troy and Gwendolyn Scott, TGR Exotics. Please note that new procedures for FOIAs now require a search of all "electronic media, such as computer hard drives, e-mail, electronic calendars, archives, servers, cds, thumb drives, etc." located in ANY USDA office, including inspectors.

Consequently, I'm forwarding this request so that you can forward me a copy of any and all information you have on Troy and Gwendolyn Scott, TGR Exotics, in your paper or electronic files that we would not have here in our office. I will send it to FOIA as a package with what I send them.

The deadline for me sending this information to the FOIA office is Feb. 15, 2011, so if at all possible, I need immediate attention to this request.

Thanks for your help!

Katie Green
