Subject: request for documents

MAR 9 - 2011

Hi Tonya,

In accordance with the Freedom of Information Act, I would like to request copies of the following as they pertain to Animal Welfare Act Licensees.

Location: State of Minnesota

Persons: All Class A (Breeders) and Class B (Dealers) currently licensed or licensed at any time within the period noted below in Minnesota.

Time period: For the year 2010 and 2011 (so far)

Documents: I am requesting animal inventory counts for Class A and Class B licensees in Minnesota. This includes all animals. For data applicable to dog/cat breeders, it would include adult dogs, puppies and total counts per each inspection conducted. (Assume some facilities had multiple inspections during the above periods.)

Media form: I prefer electronic media, in the form of a CD, with documents in the PDF format. If not available, paper copies are acceptable.

Fees: I agree to all fees not to exceed \$100. If the request exceeds \$100, please notify me as to the cost so I can evaluate my options.

Last year I had made a previous request for inventory counts and it was sent to me. I understand there are more recent numbers available; hence, the new request.

Thank you for your assistance,

Ann Olson
