Dear Mrs. Matthews:

This is in response to your March 16, 2011, Freedom of Information Act (FOIA) request for all documents generated as a result of your Animal Care Complaint (E11-080) against the Isaac W. Bernheim Foundation. Your request was received in this office on March 16, 2011, and assigned case number FOIA 11-335. We apologize for the delay of this response.

Agency employees conducted a thorough search of their files and enclosed are five pages that are responsive to this request. These records are appropriate for release in their entirety without redaction.

Please note that copies of inspection reports are now available on our Animal Care web site. To access all available APHIS inspection reports, please visit the APHIS homepage at <http://www.aphis.usda.gov> and click on **FOIA Reading Room** (a bullet item located in the light blue box on the right-hand portion of the screen). Then, click on **Lists of active licensed and registered facilities**, a bullet item located under a Frequently Requested Documents heading. Then, about halfway down that next page, click **Inspection Reports and License and Registration List**. There, you will be able to access a searchable database.

Because the cost to process your request is less than \$25.00, the fee has been waived. If you have any questions, please contact Ms. Deborah L. Leilich of my staff at (301) 734-3623.

Sincerely,

Tonya Woods
