Dear Mr. Ammerman:

This is our final response to your March 12, 2011, Freedom of Information Act (FOIA) request which we received on March 17, 2011, and assigned case number 11-340. Specifically, you requested the following:

1. The Annual Research Report (APHIS Form 7023) for any research facilities at the Indiana University Bloomington, with Column E information from the most recent year available (2010 or after).
2. Any inspection report research facilities at Indiana University Bloomington conducted during the years 2009-2011.

In response to Part 2 of your request, data from Form 7023 Annual Report, submitted by research facilities, is also available for the user to electronically search, sort and export for analysis. Column E explanations and exceptions for FY 2010 and future years will also be available through the ACIS Search Engine. Column E explanations and exceptions for FY 1999 -2009 will remain on APHIS's E-FOIA reading room in PDF format. The ACIS Search Engine can be found on our website at: <http://acissearch.aphis.usda.gov/LPASearch/faces/Warning.jspx>. After making this selection, please type in Indiana University in the Name section, or 32-R-0002 in the Certificate section.

Because the cost to process your request is less than \$25.00, the fee has been waived. If you have any questions, please contact the FOIA Staff at (301) 734-8296.

Sincerely
