Dear Mr. Rowell:

This is a subsequent response to your July 21, 2011, Freedom of Information Act (FOIA) request for Investigative Enforcement Services (IES) investigation file LA11009-AC of the University of Louisiana at Lafayette by Kenneth Hoover. Your request was received in this office on July 21, 2011, and assigned case number FOIA 11-661.

Since our initial August 18, 2011, response to your FOIA request, we discovered we made an error in our release determination. The information you requested is indeed involved in a pending investigation; however, please find enclosed 11 pages consisting of inspection reports, applications for license, and certificates, which are responsive and releasable to you at this time. However, information has been withheld under FOIA Exemption 6, 5 U.S.C. §552 (b)(6). This exemption protects information from disclosure when its release would cause a clearly unwarranted invasion of personal privacy. In addition, we withheld the same information under FOIA Exemption 7(C), 5 U.S.C. § 552 (b)(7)(C). This exemption protects from disclosure records or information collected for law enforcement purposes when its release could reasonably be expected to constitute an unwarranted invasion of personal privacy.

You may appeal our partial denial of this information. If you choose to appeal, your appeal must be in writing and must be received within 45 days of the date of this letter. Send to:

Administrator
Animal and Plant Health Inspection Service
Ag Box 3401
Washington, D.C. 20250-3401

If you should appeal, please refer to FOIA 11-661 in your appeal letter and add the words "FOIA Appeal" to the front of the envelope. To assist the Administrator in reviewing your appeal, provide specific reasons why you believe modification of the determination is warranted.
