Dear Mr. Dennis:

This is in response to your August 16, 2011, Freedom of Information Act (FOIA) request for copies of inspection reports before May 5, 2009 for the Springfield Dickerson Zoo, Springfield, Missouri, Certificate No. 73-C-0026; Customer ID 4303. Your request was received in this office on August 16, 2011, and assigned case number FOIA 11-765.

Information

Agency employees conducted a thorough search of their files and located two pages of inspection reports, which are responsive to your request. However, information has been withheld under FOIA Exemption 6, 5 U.S.C. §552 (b)(6). This exemption protects information from disclosure when its release would cause a clearly unwarranted invasion of personal privacy. Also this same information has been withheld under FOIA Exemption 7(C), 5 U.S.C. § 552(b)(7)(C). This exemption protects from disclosure records or information compiled for law enforcement purposes when its release could reasonably be expected to constitute an unwarranted invasion of personal privacy. Specifically, we withheld third party name pursuant to these exemptions.

Please note that inspection reports and related documents are usually maintained for three years in accordance with the Agency's records retention schedule.

Please note that copies of inspection reports are now available on our Animal Welfare web site. To access all available APHIS inspection reports, please visit the APHIS homepage at <http://www.aphis.usda.gov> and click on FOIA Reading Room (a bullet item located in the light blue box on the right-hand portion of the screen). Then, click on APHIS eFOIA Reading Room, then about halfway down that page, click on Animal Welfare, then click on Search Active Licensees, Registered Facilities, Annual Reports, and Inspection Reports, a bullet item located under an Animal Welfare heading. There, you will be able to access a searchable database.
