(d) No dealer or exhibitor shall knowingly obtain any dog, cat, or other animal from any person who is required to be licensed but who does not hold a current, valid, and unsuspended license. No dealer or exhibitor shall knowingly obtain any dog or cat from any person who is not licensed, other than a pound or shelter, without obtaining a certification that the animals were born and raised on that person's premises.

The licensee accepted two cats from a person that willingly, during the process of traceback, admitted to me that the animals were strays, and not born and raised on her premises.

No dealer shall obtain cats, from persons, that were not born and raised on their premises.

Do not accept animals that were not born and raised on the persons property.
