ACCESS AND INSPECTION OF RECORDS AND PROPERTY.

Each dealer, shall, during business hours, allow APHIS officials: to enter its place of business; to examine records required to be kept by the Act and the regulations in this part; to inspect and photograph the facilities, property and animals, as the APHIS officials consider necessary to enforce the provisions of the Act, the regulations and the standards in this subchapter.

On March 13, 2007 from 1:00pm to 1:20pm there was no one available at the premises for an Animal welfare inspection. A message was left with the contact number provided on the license renewal form.

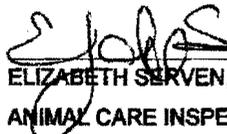

All inspections are unannounced and the licensee must make time for an inspection during normal business hours. An authorized person needs to be available during normal business hours to conduct an inspection with to ensure the well being of the animals.

This is the second attempted inspection, to avoid further action, someone must be available who is knowledgeable about the facility on a daily basis. This person can be contacted via phone but must be available for inspections when necessary.

Please contact me at 703-812-6652 if your hours of availability have changed.
