Dear Ms. Arnett:

This is in response to your March 23, 2011, Freedom of Information Act (FOIA) request for a list of breeders who responded to our letter regarding the court case between the Human Society of the United States and the USDA. Your request was received in this office on March 18, 2011, and assigned case number FOIA 11-350.

We are enclosing a four-page listing responsive to your request. Please note this listing was created on March 3, 2011, and only contains some of the breeders who responded to our letter. No additional listing was generated by this Agency.

We regret that we are unable to assist you. Although this does not constitute a denial because no records were found or withheld, you may appeal our no records determination. If you choose to appeal, your appeal must be in writing and must be received within 45 days of the date of this letter to: Administrator, Animal and Plant Health Inspection Service, Ag Box 3401, Washington, DC 20250-3401. Please refer FOIA 11-390, in your appeal letter and add the words "FOIA Appeal" to the front of the envelope. To assist the Administrator in reviewing your appeal, provide specific reasons why you believe modification of the determination is warranted.

If you have any questions, please contact the FOIA Staff at (301) 734-8296.

Sincerely,

Tonya G. Woods
