Dear Dr. Rotondo:

Unit 50
Riverdale, MD

This is in response to your November 8, 2010, Freedom of Information Act (FOIA) request, which was received in this office on November 8, 2010, and assigned case number FOIA 11-073. Specifically, you requested animal census information on species and number of animals monitored by USDA/APHIS imported and exported through Kennedy Airport and dates and length of time held at the facility. You also requested, contact information for the OGS person responsible for the USDA/APHIS office lease near the Kennedy Airport Facility and the present rental rate being paid by OGS for this office space.

The Office of Veterinary Services conducted a search of their files, which revealed no records responsive to your request.

We regret that we are unable to assist you. Although this does not constitute a denial because no records were found or withheld, you may appeal this determination within 45 days of the date of this letter. Please send your appeal to: Administrator Animal and Plant Health Inspection Service, Ag Box 3401, Washington, D.C. 20250-3401. Please refer to FOIA 11-073 in your appeal letter and add the words "FOIA Appeal" to the front of the envelope. To assist the Administrator in reviewing your appeal, provide specific reasons why you believe modification of the determination is warranted.

If you have any questions, please contact the FOIA Staff

Sincerely,

Tonya G. Woods
