Subject ATTN: FOIA Request

Dear FOIA Officer:

Under the Freedom of Information Act, I am requesting access to the information related to the application for a licensed vaccine. The vaccine is called "Poulvac ST" and is produced by Fort Dodge Animal Health. Specifically, I am interested in the challenge data that was supplied as evidence that the vaccine reduces colonization of internal organs. I am categorized as a commercial entity.

If there are any fees charged for searching, reviewing, or copying the records, please supply the records without informing me of the cost if the fees do not exceed \$200, which I agree to pay. If the fees exceed this amount, please let me know prior to fulfilling my request.

If you deny any part of this request, please cite each specific reason that you think justifies your refusal to release the information. Please notify me of appeal procedures available under the law.

Sincerely,

Bob Poe, Ph.D.
