Subject FOIA Request

I would like to request cooperative service agreements for all projects involving wildlife hazard assessments and any project that was conducted on an airport or for an airport within the state of PA. Please include projects that were started or completed within the last 3 years.

I would also like to request proposals, price quotes, and statements of qualifications that involved wildlife hazard assessment and or work to be completed on or for airports, that were produced for potential or current co operators/clients with in the last three years, within the state of PA.
