Dear Mr. Knudson:

This letter is in further reference to your FOIA request 11-762 received by our office on August 16, 2011. You asked for all purchase orders and invoices for all all-terrain vehicles (ATV) purchased by Nevada Wildlife Services for the time period January 1, 2006 to the present.

Agency employees conducted a thorough search of their files and located 23 pages of purchase orders and invoices for all-terrain vehicles. These records are appropriate for release without redaction.

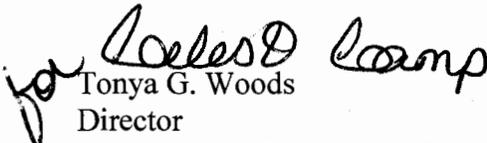

You may appeal the adequacy of our search and/or finding of no additional information. If you choose to appeal, your appeal must be in writing and received within 45 days of the date of this letter. Send your appeal to:

Administrator
Animal and Plant Health Inspection Service
Ag Box 3401
Washington, DC 20250-3401

If you should appeal, please refer to FOIA 11-762 in your appeal letter and add the words "FOIA Appeal" to the front of the envelope. To assist the Administrator in reviewing your appeal, provide specific reasons why you believe modification of the determination is warranted.

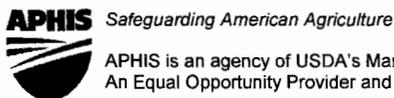

Because the cost of processing your request is less than \$ 25.00, the fees have been waived. If you have any questions, please contact Lyndia Taylor of my staff at (301) 734-0597.

Sincerely,

Tonya G. Woods
