

United States Department of Agriculture

Approved Exporters Authorized to Use Seed Export Labels as of September 6, 2018

The companies listed in [Table 1](#) below are authorized by the [Canadian Food Inspection Agency \(CFIA\)](#) to use [CFIA/ACIA Form 5309, Seed Export Label](#), to export seeds to the United States in lieu of a Canadian phytosanitary certificate. See the [Plants for Planting Manual](#) on the [Manuals](#) web site for more information.

NOTICE

This list changes frequently. Contact the Seed Examination Facility (SEF) for possible updates to the list.
