Export Certificate Under CFIA Directive D-11-04

Export Certificate Under CFIA Directive D-11-04

Shipment Identification Number _____

Facility Name

Facility Address

CFIA Facility Approval Number **CFIA - GSP - ****

Bin Number

This certificate attests that the grain screening pellets in this consignment are not intended to be used for planting, and;

- 1) Meet the processing requirements as outlined in the compliance agreement between the above facility and the CFIA as per Directive D-11-04.
- 2) Have been produced from grain screenings of either U.S. or Canadian origin.
- 3) Have been produced from one or more of the following Canadian or U.S. grown crop kinds:

Figure 1 Example of Export Certificate Under CFIA Directive D-11-04

Purpose

The export certificate is a document used for pelletized screenings destined to the United States.

Directions

Check the certificate to make sure the description of the consignment is accurate. Verify that the certificate includes the shipment identification number, facility name, facility address, CFIA facility approval number, and bin number.
